Bug Fixes

- Fixed Criminal Cases Report SQL Error when a citation is selected as one of the report filters.
- Criminal “Notice of Appeal” event listed in the “Appeal Documents” link renamed “Notice of Appeal (To Mississippi Supreme Court).” Courts should use the “Notice of Appeal (From Lower Court)” event listed in the “Indictment, Information, Complaint” link when docketing Notices of Appeal that do not initiate an appeal to the Mississippi Supreme Court.
- Circuit Civil **Only** – Fixed an issue preventing the transfer of appeal documents if “Order Granting Interlocutory Appeal” event is filed on the case.
